03

YOUR CONTENT AND ACCOUNT

User Generated Content

Nouva Services may permit you to impart, submit, transfer or in any case make accessible content, talks, pictures, sound, video, rivalry passages or other substance ("Client Created Content"), which might be open and visible by the general population. Access to these highlights might be liable to age limitations. You may not submit or transfer Created Content that is disparaging, bothering, compromising, narrow-minded, scornful, fierce, disgusting, foul, explicit, or in any case hostile or that hurts or can

sensibly be required to hurt any individual or substance, regardless of whether such material is ensured by law.

In many occasions, we don't guarantee proprietorship to your Client Produced Content unless defined by written; be that as it may, you award us a non-restrictive, sublicensable, permanent and eminence free overall permit under all copyrights, trademarks, licenses, exchange insider facts, protection and exposure rights and other licensed innovation rights for the full span of those rights to utilize, recreate, transmit, print, distribute, openly show, display, disseminate, redistribute, duplicate, list, remark on, alter, change, adjust, decipher, make subsidiary works dependent on, openly perform, freely impart, make accessible, and in any case endeavor such Created Content, in entire or to some extent, in all media organizations and stations presently known or in the future formulated (remembering for association with Nouva Services and on outsider locales and stages), in any number of duplicates and unbounded as to time, way and recurrence of utilization, moving along without any more notification to you, without attribution (to the degree this isn't in opposition to compulsory arrangements of pertinent law), and without the necessity of authorization from or installment to you or some other individual or element. You concur that accommodation of Produced Content doesn't build up any relationship of trust and certainty among you and us, and that you have no desire for remuneration at all (aside from as might be explicitly expressed in the arrangements of Nouva Services regarding the accommodation, or emerging from it).

You speak to and warrant that your Created Content fits in with these terms and that you claim or have the essential rights and authorizations including, without constraint, all copyrights, music rights and similarity rights (regarding any individual) contained in the Produced Content, without the requirement for installment to some other individual or element, to utilize, and to approve us to utilize, your Produced Content in all habits examined by these terms. You consent to reimburse and hold us and our backup and partnered organizations, and every one of their particular representatives and officials, innocuous from any requests, misfortune, obligation, claims or costs (counting lawyers' charges), made against us by any outsider

emerging out of or regarding our utilization of your Produced Content coming about because of your rupture of any guarantee, portrayal or other arrangement of these terms or any pertinent supplemental terms. You likewise make a deal to avoid upholding any ethical rights, subordinate rights or comparable rights in or to the Created Content against us or our licensees, wholesalers, specialists, delegates and other approved clients, and consent to secure a similar deal to avoid implementing from other people who may have such rights.

To the degree that we approve you to make, post, transfer, disseminate, freely show or openly perform Produced Content that requires the utilization of our copyrighted works, we award you a non-selective permit to make a subordinate work utilizing the explicitly referenced copyrighted fills in as required for the sole motivation behind making the materials, given that such permit will be molded upon your task to us of all rights worldwide in the work you make for the length of copyright in the Created Content, in all organizations and media known or obscure to date, including for use on Nouva Services and on outsider locales and stages. In the event that such rights are not allotted to us, your permit to make subsidiary works utilizing our copyrighted works will be invalid and void.

We may screen, post, evacuate, adjust, store and audit Created Substance or correspondences sent through a Nouva Service, whenever and under any conditions, including to guarantee that the Produced Substance or correspondence fits in with these terms, without earlier notification to you. We are not liable for, and don't support or assurance, the suppositions, perspectives, guidance or proposals posted or sent by clients.

Accounts

Some Nouva Services allow or expect you to make a record to partake or to make sure about extra advantages. You concur that any data you give and keep up is exact, current and complete, including your contact data for sees and different interchanges from us and your installment data. You make a deal to avoid mimicking or distort your association with any individual or substance, including utilizing someone else's username, secret word or other record data, or someone else's name or similarity, or give bogus subtleties to a parent

or gatekeeper. You concur that we may find a way to check the precision of data you give, including contact data for a parent or gatekeeper.

We have received and executed an approach that accommodates the end, in fitting conditions, of the records of clients who are rehash infringers of copyright. Moreover, we may suspend or end your record and your capacity to utilize Nouva Services on the off chance that you take part in, energize, or advocate for unlawful lead or in the event that you neglect to agree to these terms or any supplemental terms.

Passwords and Security

You concur that you won't share your record or record data with others. You are liable for finding a way to keep up the privacy of your username and secret word, and you are liable for all exercises under your record that you can sensibly control. You consent to quickly tell us of any unapproved utilization of your username, secret phrase or other record data, or of some other break of security that you become mindful of including your record or Nouva Services.

The security, respectability and secrecy of your data are critical to us. We have actualized specialized, managerial and physical safety efforts that are intended to shield your data from unapproved get to, revelation, use and change.

04

PAID TRANSACTIONS

Identity of Seller

Deals are made by Nouva or the at the hour of offer, if extraordinary. On the off chance that you have inquiries regarding your request, if you don't mind contact the representative at the location gave and they will help you. Some computerized customer facing facades on Nouva Services are worked by outsiders and, all things considered, unique or extra deal terms may apply, which you should peruse when they are introduced to you.

When buying a permit to access such material from Nouva Service, charges will be unveiled to you on Nouva Service before you complete the permit buy otherwise do not proceed with any payment.

Your acquisition of a virtual thing is an installment for a constrained, non-assignable permit to access and utilize such substance or usefulness in Nouva Services with no option to imitate, appropriate, convey to general society, make accessible to people in general or change any Nouva Service through any online media, in any media organization or channel presently known or from now on conceived (aside from as might be explicitly depicted or mulled over inside Nouva Service). Virtual things (counting characters and character names) accessible to you in Nouva Services must be utilized regarding Nouva Services where you acquired them or where they were created by because of the intended use. These things are not redeemable or subject to discount and can't be exchanged outside of Nouva Services for cash or different things for esteem. We may alter or suspend virtual things whenever.

Subscriptions

Some Nouva Services require paid memberships to get to. By pursuing a membership, you concurred that your membership will be consequently recharged and, except if you drop your membership, you approved us to charge your installment strategy for the reestablishment term. The time of auto-reestablishment will be equivalent to your underlying membership period except if in any case unveiled to you at the hour of offer. The restoration rate will be close to the rate for the promptly earlier membership time frame, barring any limited time and markdown valuing, except if we advise you of a rate change preceding your auto-reestablishment, in which case you will reserve the option to drop the recharging of your membership. Occasionally, we may offer a free preliminary membership for a Nouva Service. In the event that you register for a free preliminary membership, we will start to charge your record when the free preliminary membership terminates, except if you drop your membership before that time.

At the point when you buy in to a Nouva Service (other than semi-yearly and yearly memberships), you reserve the privilege to drop your agreement inside fourteen (14) days from the date the exchange is finished up and you will get a full discount of the membership expense paid. For semi-yearly and yearly memberships, if notice of abrogation is gotten inside the initial thirty (30) days following the main day of beginning charging, you will get a discount of the membership expense paid. On the off chance that we discount your membership expense, you will at present be committed to pay different charges brought about by you over the span of utilizing Nouva Service preceding the date of scratch-off. In the event that you pay an intermittent membership charge for a Nouva Service, we will furnish you with sensible notification of changes to the expenses or charging techniques and you will have the option to drop your membership preceding such change.

The Order Process

You will have the chance to audit and affirm your request, including conveyance address (if relevant), installment technique and item subtleties. We will send to you a notification when we acknowledge your request and our acknowledgment will be regarded finished and for all reasons to have been successfully imparted to you at the time we send the notification. At such time, the agreement available to be purchased will be made and get official on both you and us. The danger of misfortune in any products or services you buy and the obligation to safeguard them goes to you when the significant service or product are digitaly conveyed.

We maintain whatever authority is needed to cannot or drop any request preceding conveyance. A few circumstances that may bring about your request being dropped incorporate framework or typographical blunders, errors in item or valuing data or base material accessibility, decency among clients where supplies are restricted, or issues recognized by our credit or misrepresentation offices. We likewise may require extra check or data before tolerating a request. We will get in touch with you if any bit of your request is dropped or if extra data is required to acknowledge your request.

Payments and Billing

At the point when you give delivery data, you speak to and warrant that the data is precise, that you are approved to utilize the delivery strategy gave, and that you will tell us of changes to the delivery data. We maintain whatever authority is needed to use outsider installment card refreshing administrations to acquire current lapse dates on Visas and charge cards.

Right of Cancellation: Return of Goods

You may reserve the option to drop a request put for a Nouva Service – relying upon the idea of Nouva Service. Kindly read the accompanying data cautiously so you comprehend your privilege of crossing out.

In the event that you wish to drop, you should do as such by adhering to the crossing out directions for the specific Nouva Service. An example retraction structure is accessible [here](#).

Dropping Memberships

It would be ideal if you see the data above on the procedure for dropping memberships in our Memberships area.

Advanced Substance

At the point when you buy a permit to get to advanced substance or virtual things, you will be allowed a chance to agree to delivery at the hour of procurement. By consenting to delivey, you recognize that you have lost the option to drop. Permit buy expenses paid for computerized content are non-refundable.

Physical Merchandise

You have the right, inside fifteen (15) days from the date of your receipt of physical merchandise, to drop our agreement with you and return the products. This privilege doesn't have any significant bearing to products and services expressed by us on Nouva Services to be non-returnable, including yet not restricted to:

Any items with a seal, where the seal is broken, and any physical media that have been provided in fixed bundling, and Personalized things.

Customized Products

We maintain whatever authority is needed to deny customized orders of physical merchandise at our caution. Unseemly utilization of our

personalization administration will make your request be dropped and any installment discounted.

These scratch-off rights are isolated and notwithstanding your privileges should any thing we supply be broken.

On the off chance that you are returning merchandise that are not defective, you might be required to pay for the expense of restoring the products to us and we may deduct a sensible sum on the off chance that you utilize the products.

Pricing: Taxes

We may modify the evaluating for items and administrations we offer. At the point when you submit your request, we gauge the appropriate expense and remember that gauge for the aggregate for your benefit. But to the degree required under pertinent duty tax laws, the real expense sum that will be applied to your request and charged to your installment technique depends on counts on the date of shipment, paying little mind to when the request was put.

International Shipping: Customs

When requesting products or services to nations other than the nation where Nouva is found, you may need to pay import obligations and duties demanded. These and any extra charges for customs leeway must be borne by you. For products and services delivered globally, if it's not too much trouble note that any maker guarantee may not be legitimate; producer administration choices may not be accessible; manuals, guidelines and security admonitions may not be in goal nation dialects; the products and services may not be planned as per goal nation principles, determinations, and naming necessities. You are answerable for guaranteeing the products and services can be legitimately imported to the goal nation. When requesting from us, the beneficiary is the shipper of record and should follow all laws and guidelines of the goal nation.

05

ADDITIONAL PROVISIONS
